SUBSCRIPTION 10/- PER ANNUM

Registered at the G.P.O., Sydney, for transmission by post as a periodical

Chairman's Message

Having had the opportunity of reading Tattersall's Annual Report and Balance Sheet for our recently completed operating year I'm sure all members will agree that it has proved to be a most satisfactory period for us.

One aspect of our affairs which I mentioned briefly in the report however is somewhat disturbing. This concerns members use and support of our various trading departments.

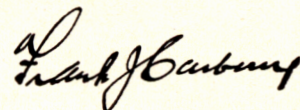

As I mentioned, despite the fact that our membership has grown considerably over the last few years and it would be reasonable to expect that this support would increase dramatically in consequence, the reverse is the case and it has been steadily declining. As certain minimum staff requirements must be maintained, regardless of turnover, if our facilities are to continue, it is axiomatic that under such circumstances our profit margins must decline also.

Just why this falling off has occurred is difficult to determine for our facilities have improved rather

than deteriorated and have offered members better and better value over recent years of spiralling prices.

In view of the foregoing I make a request to members to use Club facilities wherever possible. This is no new request for I have made it on other occasions in the past, but it can well be repeated in view of the fact that on individual support depends our progress, financial stability and Club spirit.

In the interests of the Club of which we all so obviously appreciate being a part, I hope this trend will be reversed and that I will be able to report happier news on the question in next year's balance sheet.

club NEWS and views

CHAIRMAN ON VACATION

Club Chairman, Frank Carberry, went off last month on a well-earned holiday. As all Tattersall's members will appreciate the last year has been a particularly arduous one for Frank as the problems involved in Development Programme have needed his constant attention and he has devoted a considerable amount of his time to Tattersall's affairs. Frank is accompanied by Mrs. Carberry and even while away they will spend some of their time on Club business. They will attend the Brisbane Tattersall's meeting and later the Doomben carnival while in that city. Frank will of course represent our own Club on both occasions. Before returning home the Carberrys will also attend the Grafton carnival. Members send you and Mrs. Carberry hearty good wishes for a very happy holiday Frank and will look forward to having you back in the Club late in July.

* * *

KEITH DUNBIER APPOINTED JUDGE

Member and well known racing commentator of many years standing, Keith Dunbier, is to take on a different role in the future. From now on he will be casting his eagle eye over the trotting finishes at Harold Park and Menangle for last month he was appointed a judge by the N.S.W. Trotting Club. The work is by no means new to Keith however for he was previously a judge for this club for some eight years. At that time he had to give it away because of pressure of radio work but now that he is "free lancing" he has been able to find time to take it on again. Keith is also a judge for the Hawkesbury Trotting Club so there's no doubt he will have his work cut out in the trotting field. Further good news as far as Keith is concerned is that his charming wife is now recovering rapidly from an illness she had previously suffered. All members wish both the Dunbiers the very best of luck for the future.

* * *

DES COLLINS OUT OF HOSPITAL

His many Club friends will be pleased to know that Des Collins came out of hospital last month after a stay of several weeks. We're pleased to report that he is O.K. again now and back at work with a vengeance. Members wish you the very best of good health for the future Des and will look forward to seeing you in the Club again in the very near future.

OUT ON A LIMB

Out of action because of a "limb" is well known member Syd Blake. Unfortunately Syd is suffering from a poisoned leg which, though it doesn't place him on the serious list, has forced him to take a well-earned holiday. However this is not expected to last very long and he should just about be around again by the time this item gets into print. Members wish you all the best Syd.

* * *

FIT AFTER TRIP

Although not engaged in the business professionally there are a couple of members who are doing a great job of travel promotion around the Club of late. They are well known race horse owners Peter Holohan and Neville O'Neill both of whom have just returned from an extensive tour which took in the Middle East, Japan and Honolulu. Since their return they haven't stopped talking about the advantages of travel and have recommended the trip to all their friends. If looks are any criterion their recommendation is sound for they both look extremely fit and healthy. Your friends are pleased to know you had such a good time and are happy to have you back in the Club again.

* * *

SURVEY BY SURVEYOR

Member and prominent city building surveyor, John Doran, left last month on an overseas tour which is to take in several countries. He describes it as a fact finding trip connected with his profession. Members wish you a very successful and happy trip John and will look forward to seeing you on your return in about three months time.

* * *

APPRECIATION FROM FOOTBALLERS

The following is the text of a message sent to Tattersall's by the British Isles Rugby Union Team just prior to their departure for New Zealand.

"We of the British Isles Rugby Union Team bid you farewell. We take home with us the happiest memories of our visit, and especially shall we remember the warmth of your hospitality so generously given. We appreciated your club facilities very much — sincere thanks from us all."

It was indeed a pleasure to have such a distinguished group of fine sportsmen with us and to have the opportunity of showing them our hospitality during their stay in Australia.

TV PERSONALITY TO JAPAN

Those members who don't know Kevin Chapman by sight and sound must be without a TV set for this member appeared regularly on Channel Two each Saturday afternoon on this station's sports session. Kevin has now departed the Australian television scene, at least temporarily, for he was selected by the A.B.C. as the 1966 exchange announcer/producer with NHK Radio Japan. He left us on the 17th of last month to commence his activities in Tokyo producing a feature called, "Hello Australia." He will be assisted in his work by two English-speaking Japanese producers. Kevin has a heavy year ahead of him as his programme will cover a wide range of work. The very best of luck in Japan, Kevin. We'll look forward to seeing you on Australian TV again when your tour is over.

* * *

ON AGAIN, OFF AGAIN

Right on the heels of our announcement that we had a brand new manicurist in the barber shop we now regret to report that she has taken eight weeks leave of absence. The reason is that Jan is married to an up-and-coming business executive of German descent and he is off overseas on a short trip to head office in his native land. Naturally enough Jan has gone with him but assures us that she will be back at Tattersall's in due course to take up her former duties. Members wish Jan and her husband a happy trip but regret that they will all now have to buy a nail file.

* * *

VISITING SCOTLAND

Member Jock Rorrison left Australia last month to visit his native Scotland. His trip was not altogether a happy one for its purpose was to see his sick father. He planned to return in about three weeks so he should be back in the Club when this item is printed. We sincerely hope that your father's health has now improved Jock and that your visit home was a pleasant one.

Club Visitors

Members are reminded of the Club regulations regarding visitors. These are that all visitors must be brought into the Club personally by the host member who is to remain with his guest at all times while he is on Club premises. Under no circumstances is a member to leave the Club and allow his guest to stay on. These regulations will be strictly enforced and no exceptions will be made.

Chairman's Report

GIVEN AT THE ANNUAL GENERAL MEETING FOR, AND ON BEHALF OF, THE COMMITTEE

It gives me great pleasure to move the adoption of the 108th Annual Report, Profit and Loss Account, Balance Sheet, and accompanying statements for the year ended February 28th, 1966.

In doing so I would like to point out to you on behalf of your Committee some of the salient features of the period under review.

All members have been sent a Report and Balance Sheet, and by now are quite conversant with its contents.

Now I will point out what we consider is most important to every member — the progress of the Club Development Plan. Tangible evidence now exists that the Plan is well on its way.

So that all members will be fully conversant with just what is occurring in the Club Development Programme I think it appropriate at this time to outline these activities and give you a full progress report.

At the outset I would like to make it clear that the basic concept has not been changed to any major degree since the Plan was first presented to you, but certain factors have made it necessary to alter our approach to it. These, however, concern programming rather than any departure from the original idea.

When this development project was first mooted, cost projections were obtained which led us to believe that the Plan as outlined was well within our financial capabilities. In fact it was largely compiled to come within these financial limits.

A project such as the one on which we have embarked cannot go from planning to fruition in a few short months — the drawing up of specifications, the obtaining of approvals, the calling of tenders, and the many similarly essential steps including a tenancy case which was finally decided by the High Court of Australia in our favour — all made this initial period a lengthy one.

During it, in our case, building costs rose drastically. As a result your Committee was faced with the decision of proceeding exactly as planned, or affecting some modification to keep our financial commitment within due bounds.

On the increased costs the Plan could not have gone ahead in toto. But, after extensive consideration of the facts a more temperate approach was decided upon. This was to keep the Plan intact in concept, but to proceed with it in two stages, so that progress could be controlled in the light of the Club's financial conditions existing at the time.

Stage One, which included the bulk of the work originally envisaged, then came comfortably within our financial capabilities.

This will give you a summary of what is being done at the present time, and what your Committee confidently hopes will be completed within a comparatively short space of time — we have reason to believe next December.

Here, floor by floor, is the work which is presently being carried out as Stage One. It includes *all* the structural work, which is the more expensive part of the programme, and a great deal of the finishing and decorating.

FIFTH FLOOR

This floor will be rebuilt almost exactly as planned, with new bedrooms constructed along the Castlereagh Street front of the buildings, and renovations carried out to the bedrooms on the Elizabeth Street side.

FOURTH FLOOR

Here a new lounge will be completed, and this will be air conditioned. Ladies' rest room facilities will be constructed on this floor, and similar accommodation for gentlemen will be sited between this and the Fifth Floor.

Although the originally planned enlarging of the Dining Room will now *not* be included in Stage One, the present Dining Room will be completely renovated, carpeted and re-decorated.

SECOND FLOOR

This floor will be completely air conditioned, and with the moving of the offices to the Ground Floor will allow our original Plan to go ahead almost unaltered. It will include a completely new and larger Buffet Section, new Card Room, and renovations to the Billiard Room.

GROUND FLOOR

The Club offices will be moved to this floor in the area immediately behind the present S.T.C. offices. A loading dock will be constructed at the extreme northern end of the building on the Castlereagh Street side, to better cater for deliveries to the premises.

The present bank premises will be enlarged, and a shop completed on the southern end of the building on the Castlereagh Street side. These will be immediately revenue-producing, and will bring the Club a considerable amount in rents. This will materially assist in the financing of Stage Two of the programme.

BASEMENT

The basement re-building will feature a new Public Settling Room, a new Laundry, new Store Rooms, and new Male Staff Quarters.

The original Plan did *not* call for the construction of a power sub-station, as this would not have been entirely for

the benefit of the Club, but would have increased facilities for the surrounding area.

We strongly protested to the County Council about the sub-station. Finally we were advised that it was of the utmost necessity for future electrical installations, and is now in the process of being installed.

In general terms this leaves the following work to be completed in Stage Two:

The building of the Ladies' Annexe and Function Rooms on the Mezzanine Floor, the enlargement of the Bar on the First Floor, the extensions to the Athletic Department, and the Dining Room on the Fourth Floor respectively.

I think we should all be clear on the fact that Stage Two of the programme has not been shelved in any way. It will proceed as soon as possible, in what your Committee hopes will be the near future when the Club can see its financial way clear to taking on the commitments involved.

To predict when this will be, with any certainty, at this time, would defeat the very purpose of splitting the work into two stages. However, all members may be assured that they will be kept fully informed at all times on the progress being made.

I sincerely hope that the foregoing makes the position clear to members, and that they will concur with the Committee's decision to "hasten slowly", and so avoid the possible over-burdening of the Club's finances in a situation brought about by the rising building costs over the last four years.

What has been done has been well investigated, and approved by our Auditors and better still has been approved by the Bank of N.S.W., from whom the loan for the extensions has been granted.

I am sure that members will be as proud of their great Club in the future, as members and Committeemen have been in the past.

I cannot let the occasion go by without expressing sincere appreciation for the co-operation of all who have been connected with the building project, as it has been an extremely difficult task of incorporating two new buildings into the present structure.

FINANCIAL

On the financial position of the Club we should look with satisfaction at a net profit of \$58,391 compared with \$59,012 in the previous year, a drop of some \$700. This was brought about by increased running costs, but was well above our budgeted figures for the year.

I will leave further details of our trading and financial data to the Treasurer in his report.

RACE MEETINGS

The Race Meeting Account showed a surplus for the year of \$7,354 compared with \$3,084 in 1965, resulting from increased admission income from improved attendances.

At the date of this Balance Sheet report, expenditure on extensions to the Club House premises has been published in your Report.

These amounted to \$388,299. It is estimated that it will cost a further \$820,000 to complete the modified First Stage of the development. The cash funds on hand, and borrowing facilities available to finance this capital expenditure, are in line with the budget estimates considered by the Committee when making a decision as to the extent of the work to be carried out.

MEMBERSHIP

The membership stands at 3,980, including 88 bookmaking members. 454 new members were admitted and 33 sons of members who were given preference in accordance with a Committee decision.

SENIOR MEMBERSHIP

The list of these members has been published in your Report, and I congratulate them on their 40-year membership.

SPORTING SECTIONS

The various clubs within this Club carried out their successful activities, and to their officers must go congratulations for their able administrations.

ENTERTAINMENTS

Several entertainments were held in accordance with our plans, and all were very successful.

COMMITTEE MEETINGS

Committee Meetings were well attended, and I would like to say to my colleagues how much I appreciate their whole-hearted co-operation and their attention to their duties as Committeemen.

OBITUARIES

It is with deep regret that we record the passing of so many of our members in the past year. You have the list. To their relatives and friends we extend our deepest sympathy.

CONCLUSION

In conclusion may I, on behalf of your Committee, thank the Secretary and his office staff as well as all other members of the staff for the manner in which they carried out their duties. We have an excellent staff.

Committee Message To Members

In view of the fact that all sitting Club Committeemen were returned to office with increased majorities at the recent annual elections, they would like to express their gratitude to Tattersall's members for the confidence shown them.

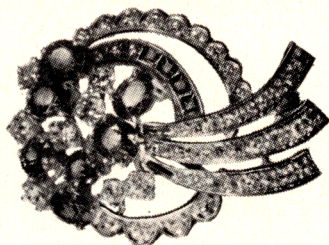

A large number of members attended the annual meeting, and all those present displayed a keen interest in the Club's affairs. Many good suggestions were put forward at this meeting, and the Committee gives its assurance that they will all be thoroughly investigated and put into effect, if they are both desirable and practical.

Progress Report

CLUB DEVELOPMENT PROGRAMME

The following is a progress report based on the architects report to the Club. It is planned to publish these on a regular basis so that members will be informed at all times on the exact state of the programme.

BEDROOMS

The new south wing is almost complete and is presently being painted. These bedrooms should be ready for carpets and furniture towards the end of the month. However the delivery date for the bedroom carpeting is approximately the 19th August. This means that these bedrooms could be ready by that date with the existing bedrooms and bathrooms completed by the 1st September.

The completion of the remaining bedrooms in the north wing are dependent upon the removal of the goods lift which is temporarily held up pending the completion of the laundry.

LAUNDRY

The laundry equipment has already been installed and power is therefore expected for the new lift almost immediately.

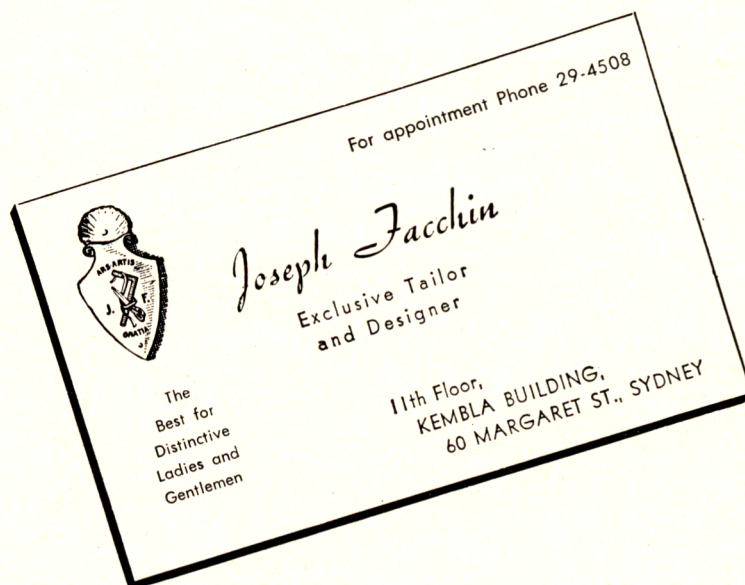

FOURTH FLOOR LOUNGE

The building work will be finished on the 19th August when the carpet will be laid. Tenders for the bar equipment are about to be finalised and it is expected the lounge will be open early in September.

CARD ROOM AND BUFFET

No work can be commenced here until the S.T.C. move out of their present temporary premises and into their permanent offices. When this is effected the Club offices can be started on the ground floor and, when occupied, work on the second floor can commence.

At this time the existing buffet will be transferred to the new card room with temporary accommodation arranged for card players on the first floor, while the new buffet is completed.

club NEWS and views

MEMBERS HONoured IN QUEEN'S BIRTHDAY LIST

Four of our members were honoured in the Queen's Birthday List last month. They are Sir Theo Kelly, K.B., O.B.E., the Right Honourable William McMahon, P.C., C. A. Johnson, M.B.E. and J. H. D. Marks, C.B.E. To these members, who have all given distinguished service to their country and community, their fellow Tattersall's members extend sincere congratulations and best wishes.

LETTING PREMISES

The new shop is complete on the Castlereagh Street side of the ground floor except for the shopfront itself which will be installed when the new tenant has been decided.

The bank premises is the subject of discussion at the present time and a completion schedule will be worked out in the near future in conjunction with the bank management.

BASEMENT

This section is now complete and the sub-station for the City County Council was handed over on the 30th June.

CARPETING — FOURTH FLOOR

Out of several tenders received Grace Bros. was the lowest and will supply the carpet for this floor. The design supplied will be exclusive to Tattersall's Club.

ALF COLLINS

Longest serving committeeman, Alf Collins, was for many years a well-known member of the legal profession. Over latter years other business interests have taken up his time and though he still retains his connection with his firm, he is no longer active in it on a full-time basis. Racing has always been an absorbing hobby with Alf, and he was at one time a racing journalist. He has been a member of the A.J.C. since 1920, the S.T.C. since its inception and a Member of Tattersall's since 1927. A noted turf expert, Alf has seen racing all over the world. He is also a Life Member of the Club.

JOHN R. McKELL

John McKell is an insurance executive. He was educated at Marist Bros. Darlinghurst and St. Joseph's College. He was active in several sports in his youth and showed great potential as a welterweight boxer. Nowadays he keeps in trim with an occasional work out at the Police Citizens' Boys Club gymnasium in Paddington. He is a regular member of Tattersall's Bowling Section and a member of Double Bay Bowling Club. He is also a member of the S.T.C. and a provisional member of the A.J.C.

GEOFF EASTMENT

Geoff Eastment is a partner with his two brother club-members in the prominent building firm of F. T. Eastment and Sons. This firm has been responsible for the erection of some of Sydney's best-known commercial and public buildings. A member of both Bonnie Doon and Pymble Golf clubs, Geoff is a keen and enthusiastic player of the game. He is also a supporter of cricket and used to play grade for Paddington. His other sporting interest is handball and he is a "regular" on our third floor. Geoff now commences his eighth year as a Tattersall's Committeeman.

PETER McGRATH

Peter William McGrath is a managing director of a private company associated with shipping, transport, customs, and allied services.

He is on the sub-committee of the Billiards and Snooker and has been for 10 years. He was a former committeeman, honorary secretary and vice-president of Dover Heights Bowling Club, and is a provisional member of the Australian Jockey Club.

Your ne **CLUB CO**

FRANK CAR

Frank Carberry brings our chairman's body, being on our committee for 20 years before being elected to Chairman. A leading oral surgeon and is a prominent outstanding sporting background and a national repute with many titles to his credit. He has done much to foster the sport of a modest punter, he has the interest in leisure time to our affairs.

BARNEY FAY — TREASURER

Barney Fay is a bookmaking member
Tattersall's and started his career in
field in Brisbane. He later came to
ney to live and work and has fielded
our major courses ever since. At one
e during the 1930's, Barney was op-
ing on both Brisbane and Sydney
urses. He is still a member of Tatter-
s in Brisbane and before coming
Sydney was a committeeman of that
b. He was elected to our own Com-
tee in October, 1959, and has served
it ever since. He has been a member
Tattersall's for 28 years.

CLAUDE MOORE

Claude Moore's family tradition is steeped in racing. His father founded the once well-known Moorefield course on land owned by Claude's grandfather. Claude has followed the family tradition and over the years he has been on the committee of most of Sydney's racing clubs at one time or another. He is presently on the committee of the Sydney Turf Club. A well-known property-owner in the country for many years, he sold out to come to the city and build up one of the largest furniture stores in the suburbs. He disposed of this, too, in turn, and now confines his interests to racing.

JACK O'NEILL

The O'Neill family have been well-known in the hotel field over many years. Jack's family owned several hotels on the north coast and when Jack came to Sydney from there in 1934, he took over the Town Hall Hotel. Later, he had the licence of the famous Hampton Court at King's Cross. He now has interests in several. Jack lives at Pymble and enjoys working in his garden when his professional commitments permit. A member of the Sydney Turf Club and the Australian Jockey Club, he also has a wide interest in many sports.

ARTHUR McCAMLEY

Arthur McCamley is well-known in Sydney's commercial circles as a Director of E. McCamley and Sons, manufacturers of industrial footwear. He is an enthusiastic follower of racing and a well-known owner who has had several prominent horses carry his colours. Arthur has always been a lover of sport and has supported our athletic department activities for many years. He serves on both our swimming and handball committees at the present time. A member of the Club since 1941, Arthur now commences his sixth term on our Committee.

LES TIDMARSH

Les Tidmarsh is one of Australia's most colourful fielders. He is one of three brothers, all of whom are book-making members of our Club. Although Les is well known as a bookmaker, he has a considerable number of business interests as well, one of which is the Lion Tile Co., a family concern. Both Les and his wife are enthusiastic supporters of various charities and do a great deal of community work. Les has been a Tattersall's member for over 15 years and has been a committee member since 1958.

SUBMITTED FOR MEMBERSHIP

GREAT POINT SCORE WIN TO KEATING

Big news from the Pool was the splendid monthly point score win by David Keating and the continued lead of Jim Comans in the 1965/1966 "Native Son" point score.

Keating struck a real patch of form with two wins and a third in finals but behind his victory was a story that might have put him in a lower placing if it had not been for the keen manner in which some of the swimmers follow the records.

Halfway through the series it was pointed out to the points computer (let him be nameless, he's still blushing), that David had not been credited with a win in a final and a search back revealed that those eight points had been given to brother John who had not even started in the race. So all was well when the error was rectified.

Even then David did not have much to spare as Sid Kay, a first, second and third in finals, and Harry Bate, with a similar record, were only two points astern with Dave Morrissey a further two behind, a half point in front of Ken Glass.

With only three events to complete the season Jim Comans was five and a half points to the good of Sid Kay in the contest for the 1965/66 "Native Son" trophy which is for all points scored during the season.

When the last issue of T.C.M. was written Jim was nine points ahead of Bill Rowe and ten in front of Kay.

The tussle is very keen especially as Comans has lost a second from his handicap and Kay is on his old mark which appears to favour the latter though it is being freely tipped that Jim will just last the distance in the lead.

Bill Rowe is now 11½ points behind the pace setter with Charlie Robinson 4½ further away and it looks as if Comans, Kay and Rowe will fill the places.

The season ends in July when the Club Championship heats will be swum on Tuesday, 19th and the final on Thursday, 21st.

John Devitt is the present holder of the title and he looks like the winner again but he will have some solid opposition and the race for the placings should be well worth watching.

Amongst those from whom the finalists will come appear to be Bill Henneberry, Brian Mortensen, Paul Blake, David Cohen, Terry Gathercole, Ken Humphery, Norm Rogers, Rod Francis, David Emanuel, Phil Winn and Bill Kendall.

Ralph Corrick returned to the fray during the month and with Bill Orme as partner won a Brace Relay first up. It was good to see Ralph in fettle again and he is a keen contender for the last monthly point score of the season. In winning the relay the duo knocked no less than three seconds off their time.

We have not seen much of Peter Wakefield, Ken Upton and Bruce Chiene

this year but all three were seen in action recently and all performed well.

Gordon Williams who has been out of action all the season through illness had a start a few weeks back and all the boys were pleased to welcome this good member.

A few weeks away from Canberra parliamentary duties have continued to put Fred Daly in splendid nick as is evidenced by his sixth in the last point score after winning a final and a heat.

Basil Phillips has struck form and a couple of second placings in finals attracted attention.

Paul Blake and Alan Ball have not been amongst the starters much in recent months and it must have been something rather important to keep them from coming under starter Sam Block's orders.

Congratulations to two of our members, Geoff Eastment and Arthur McCamley on filling the top places in the 1966/67 election for Tattersall's Club's Committee and also to Peter McGrath on his first election. Peter's son Gordon is a regular in the swimming races.

Even though the season is close to an end the race attendances keep going and an average of thirty-nine was the tally for the last four events.

The handicapper came down on quite a number of the boys who bettered their handicap times with David Keating, Col Bowes (his second), Phil Edmonds, David Morrissey, Harry Bate, Jim Comans, Ian Cameron and Ken Glass all losing a second.

Best times during the month were: 20.1 and 20.2 secs. Bill Henneberry, 20.6 Norm Rogers, 21.2 Phil Winn and Terry Forrest and 21.9 Ian Cameron.

RESULTS

May 31, 40 yards Handicap—1st Division final: D. Keating (24) 1, S. Kay (29) 2, H. Bate (33) 3. Time 22.5 secs. 2nd Division Final: C. Bowes (26) and P. Edmonds (25) 1, J. Ward (24) 3. Times 25 and 24 secs. 3rd Division Final: D. Morrissey (26) 1, P. Winn (22) 2, B. Cameron (31) 3. Time 25 secs.

June 7, 80 yards Brace Relay Handicap—1st Division Final: A. O'Connor and F. M. Daly (56) 1, B. Chiene and A. Hickey (57) 2, T. Forrest and C. Robinson (54) 3. Time 52.8 secs. 2nd Division Final: B. Cameron and C. Coppa (61) 1, K. Glass and J. V. Comans (52) 2, J. Keating and D. Jackson (55) 3 Time 57.7 secs.

June 14, 40 yards Handicap—1st Division Final: W. Henneberry (21) 1, H. Bate (33) 2, N. Rogers (21) 3. Time 20.2 secs. 2nd Division Final: J. V. Comans (27) 1, N. Amy (30) 2, D. Keating (23) 3. Time 25.5 secs. 3rd Division Final: K. Glass (25) 1, B. Phillips (23) 2, S. Kay (29) 3. Time 24 secs.

June 21, 80 yards Brace Relay Handicap—Final: W. Orme and R. Corrick (54) 1, W. Rowe and A. Hickey (54) 2, D. O'Connor and C. Robinson (63) 3. Time 51 secs.

MAY-JUNE POINT SCORE

This series resulted: D. Keating (27 points) 1; H. Bate and S. Kay (25) 2; D. Morrissey (23) 4; K. Glass (22½) 5; F. M. Daly (22) 6; C. Bowes (20½) 7; B. Cameron; W. Henneberry and A. O'Connor (18) 8; D. Jackson and J. V. Comans (17½) 11; C. Robinson (17) 13; J. C. Brice, B. Phillips, J. Ward and C. Coppa (16) 14; T. Forrest and G. McGrath (15) 18; P. Edmonds (14½) 20.

"NATIVE SON" POINT SCORE

Leaders in this series for all points scored during the season were, on June 27: J. V. Comans (157 points); S. Kay (151½); W. Rowe (145½); C. Robinson (141); H. Bate (137); S. Ser-nack and D. Cohen (134½); T. Forrest (132½); J. Ward (132); W. Henneberry (127½); D. Morrissey (124½); G. McGrath (124); K. Glass (123½); N. Rogers (120); D. Dind (116½); B. Mortensen (107½); D. Jackson (107); C. Coppa (105½); J. C. Brice (105); B. Cameron (104); B. Phillips (102).

In travel
there can't
be
'too many'
COOKS

There's a lot to be said for the old adage 'too many cooks spoil the broth' but it certainly doesn't apply to travel! And there are over 400 Cooks offices in 57 countries to prove it!

Sophisticated travellers know how valuable it can be to have the man from Cooks' close at hand when needed. And remember too—Cooks handle every type of travel from Conducted Tours to Independent Travel—at no extra charge for their 125 years of experience.

Congratulations to new Bowls Committee

The members of the bowling section extend hearty congratulations to the new Committee while expressing sincere appreciation to the immediate past Committeemen for their sterling work over the year.

The record attendance at our annual general meeting proved to be a great tribute to the past officers of the section. A record gathering of sixty-four was in attendance on the fourth floor and this kind of support augurs well for our forthcoming year.

As predicted, there were many changes in the office bearers as a result of the election. Our patron is Club Chairman, Frank Carberry, President is Dr. H. K. Porter, immediate past president Harold Hill, senior vice-president J. R. McKell, vice-presidents C. L. Davis, S. Peters, L. P. Plasto and Homer Jones. Honorary secretary is John Neville, honorary treasurer Mark Barnett, honorary publicity officer Fred Empsom and honorary auditor H. V. Quinton.

Our meeting concluded at 4.15 p.m. after which drinks and a very enjoyable buffet was served on the second floor.

Playing results for the month were as follows:

Moore Park: 36 players attended and winners were Fred Empsom, L. Gaffney and Len Burke.

City: 48 players enjoyed the game on the 2nd. Winners were Dr. Fuzz Porter, H. Wilks, H. Relton, J. Shaffran. The attendance was a record.

Waverley: Winners on the 9th against 36 players were Don Wilson, Peter McGrath and Eric Scott.

Rose Bay: Winners on the 16th were Duncan McFarlane and Mick Greenberg.

Moore Park: Against 42 players on the 16th Len Plasto, Homer Jones and Keith Williams ran out winners.

It is very pleasing to see so many top line players coming back week after week to join us. Amongst them are some very good skipper types. Eric Scott is one who after many successive wins met his first defeat at the hands of Harold Hill at Moore Park. Others, to mention only a few, are Ken Brown, Jack Schofield, Sam Peters and new members Lyn Ainsley, Alf Willis and Harold Relton.

It is also pleasing to see so many well known bowlers amongst our visitors. Some whose names are familiar to all bowlers are Cal Matha, John Slater, Armer Minnis, H. Henley, Allan Howarth and Keith Williams from Melbourne.

We extend a hearty welcome to new members Harold Abbott, Eric Scott and Bill Reardon.

Trophies for the Singles Championship and Handicap Pairs were presented at the general meeting. Singles champion is Les Shean and runner-up Harold Hill. Pairs Handicap winners are Ken Gayfer and Vince Kirby with runners-up Mick Greenberg and Ern Wright.

The section wished Stan Chatterton bon voyage last month. He went off on an overseas trip and already we are all looking forward to his return. Bunny Durkin is also well on his way round the world and we send him best wishes and a happy return.

Who, incidentally, was the "big shot" in the bowling section who worked so hard for Peter McGrath at the elections of the Club Committee and then forgot to vote himself?

Congratulations from the section to Peter and Jack McKell on their election to Club office.

How about this for a record: Playing at Moore Park on the 23rd of last month, Ken Williams got a possible 9 against Arthur Miller. Has anyone seen this before in a triples?

"Fuzz" Porter

The newly-elected President of Tattersall's Bowling Club is known to everyone as "Fuzz" Porter. So much a part of him has this affectionate appellation become that very few of his friends know what his initial "H" stands for. It is Hubert and to give Fuzz his correct name and title he is Dr. Hubert Keith Porter, M.B., Ch. M.F.R.C.O.G.

Fuzz was educated at Fort Street High School and as a result became a member of a group of outstanding citizens which this school seems to have produced as a matter of course. He graduated, with Honours, in Medicine at the Sydney University in 1920 and was appointed Medical Superintendent of Sydney Hospital the following year.

He left Sydney Hospital in 1924 to commence practice at Balmain where he remained until 1933. In that year, after study abroad, he set up practice in Macquarie Street. He was appointed to the gynaecological staff of Sydney Hospital in 1928 and elevated to the senior staff in 1936, a position he held until he retired from the hospital in 1957. He was also chairman of the State Committee of the Royal College of Gynaecologists and Obstetricians from 1953 to 1965.

As a young man Fuzz was a member of the Balmain Fernleigh Soccer team which won both the Premiership and the Gardiner Cup (State Championship) in 1919 and in 1920. In 1921 he was selected to captain the N.S.W. side against Queensland, and played as centre forward in the match.

Fuzz has always been keenly interested in water polo and has been a patron of the N.S.W. Amateur Water Polo Association for a number of years. Prior to this he was President of the Association for eight years.

He is now a keen and enthusiastic bowler and is a member of the Waverley Club. He also plays with the bowling section of the N.S.W. Golf Club of which he is a member. He is secretary of the N.S.W. Doctor Bowlers and a regular player with Tattersall's Bowling Section to which he has belonged since 1960.

HORSE FATIGUE?

RANVET EQUITONE

GOES STRAIGHT TO THE HEART OF THE MATTER

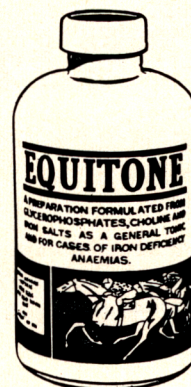

A major cause of fatigue in horses under stress is lack of iron needed to replenish the vital oxygen supply in red blood cells.

Equitone is more than a powerful Iron Tonic. It is fortified with Trace Elements, Choline and Glycero-phosphates for boosting muscle metabolism and imparting a feeling of all-round well-being. Horses enjoy the palatable, sweet-sour Equitone syrup. And they respond with dramatic improvements in liver function, stamina and ability.

Remember, too! Ranvet EQUITONE activated astringent leg paste.

THE FINEST IN THEIR FIELD

Carl Zeiss, who gave the world the first Prism Binoculars, now presents world top quality in field glasses for RACING, YACHTING, TOURING, etc., made at the ZEISS Works at Oberkochen, West Germany. Look through one and you will be amazed at the sharp and brilliant performance, outstanding clarity and stereoscopic effect. For the spectacle wearer the "B" model has been designed to provide a large field of view **whilst spectacles are being worn**. ZEISS-OBERKOCHEN binoculars are smaller and lighter, and due to their construction of corrosion resisting alloys are water and dustproof in tropical and subtropical climates. The RACING MAN'S choice are the models 8 x 50 B and 10 x 50.
